

Ten Year Legacy Celebration

A
HERO'S
LEGACY

THE JOE JOHNSON FOUNDATION

Your donations have provided many scholarships over the past eight years as well as providing mobility for wounded Veterans. Our goal is to honor Joe's life by honoring the service and sacrifice of our fallen and wounded service members and their families. Scholarships are given to students who exemplify the qualities we most treasure in Joe. **These scholarships cannot be earned by works, but rather by excellence of character.**
